Family Educational Rights and Privacy Act (FERPA) Consent Form

The Family Educational Rights and Privacy Act (FERPA) gives parents and students over 18 years of age ("eligible students") certain rights regarding the student's education records. One of those rights is the right to consent to disclosures of personally identifiable information contained in the student's education records.

Leavenworth Unified School District and its designated curriculum provider, Kaplan Virtual Education (KVE), have found that to best serve the student's education needs, it is necessary to disclose a student's name and address to the following classes of vendors that provide important services related to your student's education. In all cases, these vendors will have agreed to ensure the confidentiality of the student's name and address and to not use the information for purposes other than that contracted to meet the student's education needs.

- Suppliers of educational materials for purposes of shipping to and from the student's home
- Customer care providers that handle support calls for KVE
- Internet service provider
- Companies that enter the student information into a computer database for use by school officials
- Speakers or presenters presenting or participating in synchronous Web-conferencing sessions
- Computer professionals that host and maintain KVE's student account management systems
- Other contractors and subcontractors that Leavenworth Unified School District and/or KVE identify as necessary to providing education services

To best serve the student, Leavenworth Unified School District requests the following parental consent to disclose the student's name and address to the specified class of contractors.

I hereby agree that my student's name, address, and other information as necessary, be provided to the above identified contractors to ensure that Leavenworth Unified School District can best meet my student's education needs.

Textbook and Materials Fee

Kaplan Virtual Education has partnered with [Leavenworth Virtual School](#) to create Kaplan Academy of Kansas.

The State of Kansas authorizes school districts to collect fees for the rental of textbooks. This fee is collected at the time of enrollment, or arrangements for payment can be made during the enrollment process. Textbook fees will be adjusted for families who qualify for assistance under the federal income eligibility guidelines for the present school year.

You are responsible for paying **Leavenworth Virtual School** an annual \$45.00 book rental fee per student. The fees collected are used by the school district to purchase textbooks to issue to students and to cover the cost of materials and workbooks used in the curriculum. Parents who are unable to pay this fee may apply for a waiver of fees. The schedule used to determine eligibility for the School Lunch Program will be used to determine waiver of fees.

Checks should be made payable to Leavenworth School District 453 and mailed or presented in person to the Leavenworth Virtual School Administrative Offices:

Leavenworth Virtual School
1100 3rd Avenue
Suite 209
Leavenworth, KS 66048

For additional information about this fee or how to apply for the waiver, please contact Kevin Lunsford, Director of the Leavenworth Virtual School, at 913.684.1540.
